CORPORATE SOCIAL RESPONSIBILITY

Corporate social responsibility (CSR) is the process of funding and donating under which Public Charitable Trust/ Societies and other non – profit organizations can get financial and other support from the corporate sector as per the relevant provisions of the Companies Act, 2013. As a registered Public Charitable Trust with a not for profit Moto, NGO Help Foundation (NHF) relies on a variety of sources for receiving funds/ grants by way of donation and CSR contributions to meet NGO’s expenses on the Educational, Research and medical assistance objectives including social welfare and empowerment programs and activities. In addition to the stated objectives of the trust /societies, the funds provided under CSR would be catered for addressing the societal advancement issues, environmental protection and socio-economic development activities, which make a positive impact on the living standards of the economically backward and disadvantaged community and enable them to lead a productive and dignified life

VISION & MISSION

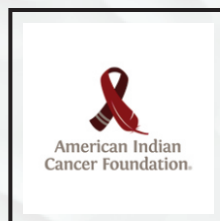

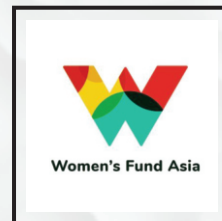

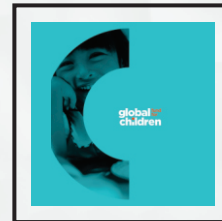

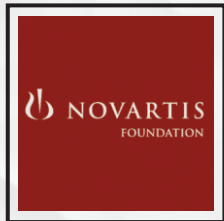

Vision: To connect, collaborate and evolve sustainable and replicable models and achieve concrete social change.

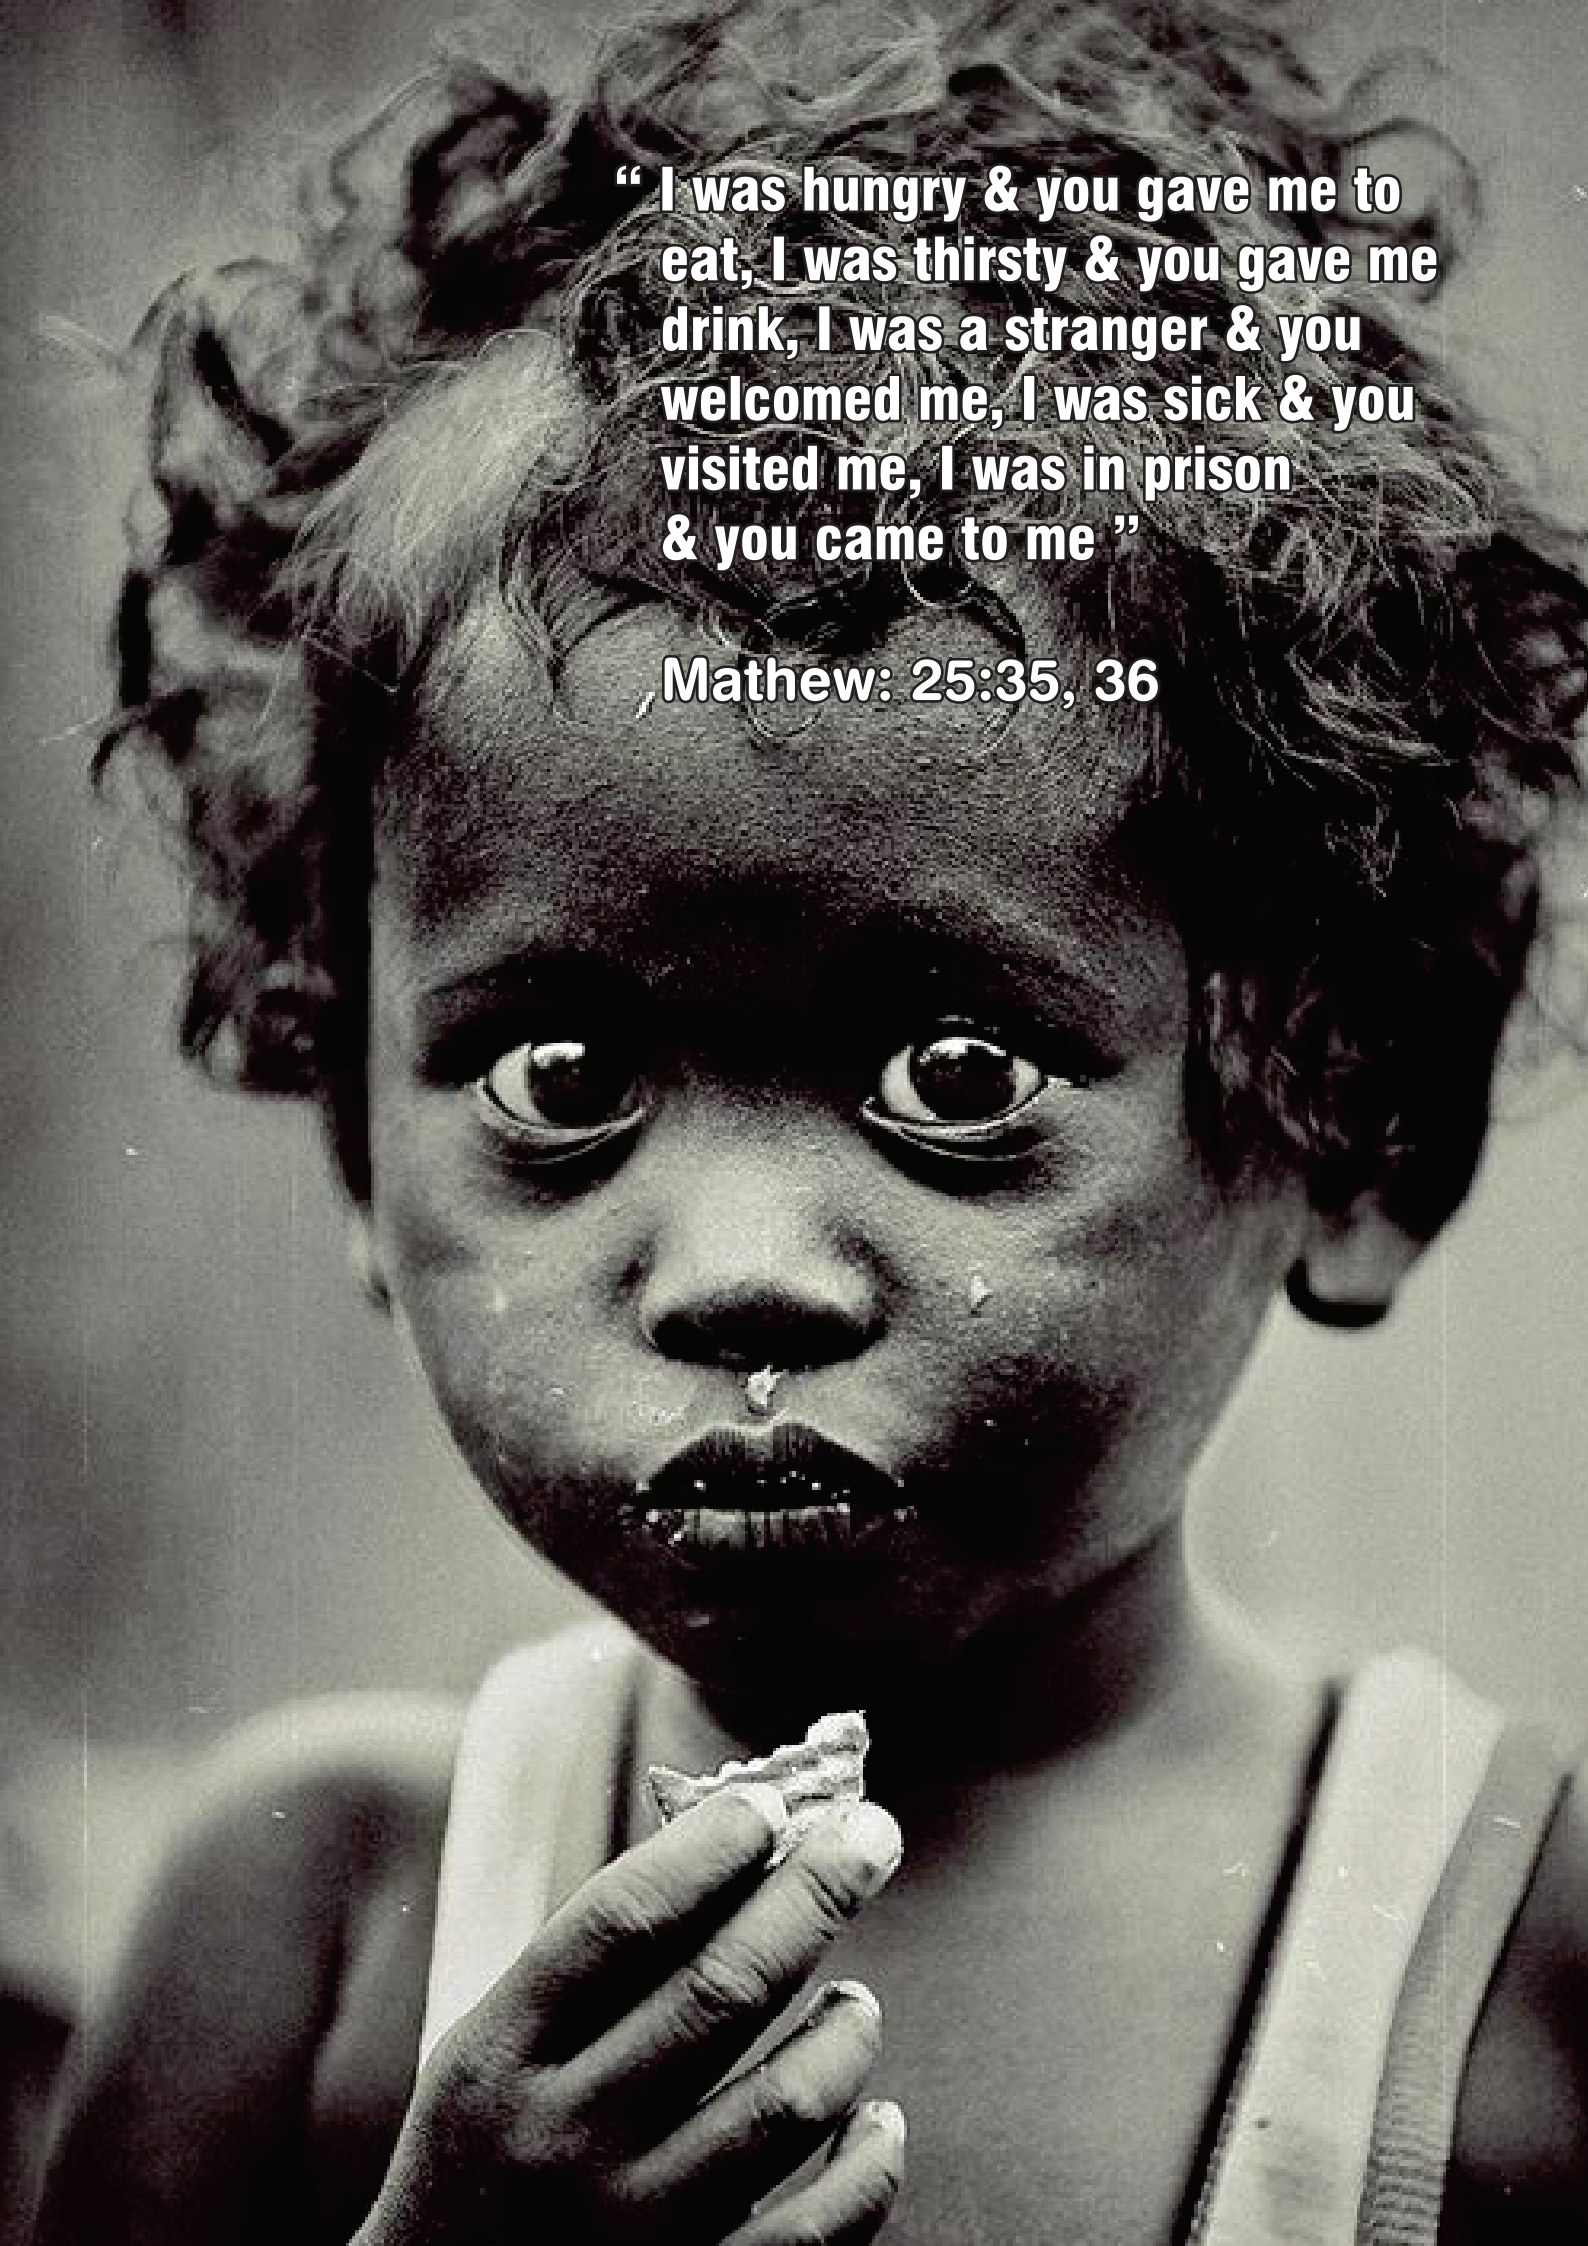

Mission: Partner with credible NGOs and Social Entrepreneurs to help them achieve scale as well as operational, marketing and financial efficiencies. To achieve this vision, NGO Help Foundation Works in collaboration with the Central and State governments from within the social development ecosystem. NHF Provides efficiency and optimization to the NGO projects, government programs and corporate giving programs. NHF Provides an easy connect to volunteers for time, things, and skills to local NGOs. NHF Allows donors to donate SMART - create impactful donor programs and provide philanthropy optimization and monitoring services optimizes on existing resources - by connecting the fragmented ecosystem members. NHF Builds a Smart charity ecosystem - by setting SMART (S - specific, M - measurable, A - attainable, R - relevant and T - time based) goals for each NGO that ensures optimal donation utilization.

A close-up photograph of a young boy with dark hair and skin, looking down as he drinks water from a public tap. His hands are cupped under the running water, and some water is splashing. The background is a soft, out-of-focus green, suggesting an outdoor setting. The lighting is warm and natural, highlighting the texture of the water and the boy's features.
